

# Safety Data Sheet (SDS)

# 1. Product and Company Identification

| Product name      | : "Firestop Putty-KP" (light-weight, fire-resistant putty)              |
|-------------------|---|
| Common name       | : Heat resistant sealing material                                       |
| Company name      | : FURUKAWA TECHNO MATERIAL CO.,LTD.                                     |
| Address           | : 5-1-8, HIGASHI-YAWATA, HIRATSUKA-CITY, KANAGAWA-PREF, 254-0016, JAPAN |
| Contact Office    | : Quality Assurance Department, Fire Prevention Division                |
| Telephone number  | : +81-463-24-9341   |
| Fax number        | : +81-463-24-9346   |
| Emergency contact | : +81-463-24-9341   |
| Use applications  | : Mainly used as a fire prevention material for penetrations.           |

# 2. Hazards Identification

| GHS Classification      |                  |
|-------------------------|------------------|
| Physicochemical hazards | : Not Applicable |
| Health hazards          | : Not Applicable |
| Environmental hazards   | : Not Applicable |
| GHS Label elements      |                  |
| Symbols/Pictograms      | : Not Applicable |
| Signal word             | : Not Applicable |
| Hazard Statement        | : Not Applicable |
| Precautionary statement | : Not Applicable |
|                         |                  |

# 3. Composition/Information on Ingredients

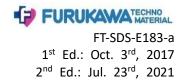

Single chemical substance or mixture: Mixture

| Composition                               | Chemical<br>formula | Content (%) | Reference number in gazetted list in Japan   | CAS №         | UN class       | UN №           |
|---|---------------------|-------------|--|---------------|----------------|----------------|
| Organic binder<br>(polybutene, etc.)      | Not identified      | 22±5        | Nondisclosure  | Nondisclosure | Not Restricted | Not Restricted |
| Inorganic fillers<br>(aluminum hydroxide) | Not identified      | 67±5        | Nondisclosure  | Nondisclosure | Not Restricted | Not Restricted |
| Others (plasticizes,<br>fibers, etc.)     | Not identified      | 11±3        | Nondisclosure  | Nondisclosure | Not Restricted | Not Restricted |
| Silica<br>(as impurity)                   | SiO2                | ≤ 0.2       | Industrial Safety and<br>Health Act, Notifiable<br>substance No. 165-2<br>(Not applicable) | 7631-86-9     | Not Restricted | Not Restricted |

# 4. First Aid Measures

| Inhalation   | : Move person to fresh air. Call a physician if symptoms develop or persist.               |
|--------------|--|
| Skin contact | : Wash off with soap and water. Get medical attention if irritation develops and persists. |
| Eye contact  | : Immediately wash the eyes, and receive medical treatment.                                |
| Swallowing   | : Do not induce vomiting. Wash the mouth thoroughly with water. Immediately receive        |
|              | the medical treatment.   |

## 5. Fire Fighting Measures

| Extinguishing media                           | : Not specified |
|---|-----------------|
| Unsuitable extinguishing media                | : Not specified |
| Specific hazards with regard to extinguishing | : Not specified |
| Specific fire extinguishing method            | : Not specified |
| Protection for fire extinguishers             | : Not specified |
|   |                 |

Extinguishers should be done from the windward side, with suitable protective respirator and clothing, if necessary.

| 6 Assidental Palazza Massures   |                                     |
|---|-------------------------------------|
| 6. Accidental Release Measures  | ancy procedures:                    |
| Personal precautions, protective equipment and emerg  |                                     |
| Wear proper protective eq   | upment.                             |
| Environmental procedures : Not applicable<br>Methods for collect : Collect spillage and place i | in ampty container                  |
| Methods for collect : Collect spillage and place i  | in empty container.                 |
| 7. Handling and Storage   |                                     |
| Handling : Do not get on eye or skin. After hand  | dling wash hands thoroughly.        |
| Storage : Store in a cool and dark place, away  | from direct sunlight and humidity.  |
| 8. Exposure Control and Personal Protection   |                                     |
| Control parameters  |                                     |
| Administrative exposure level : Not es  | stablished                          |
| Occupational exposure limit value (OEL) : Not es  | stablished                          |
| Exposure control  |                                     |
| Countermeasure equipment : Not es   | stablished                          |
| Protective equipment:   |                                     |
| Wear proper protective equipment (mask, gloves,   | goggles and clothing) on necessity. |
|   |                                     |
| 9. Physical and Chemical Properties   |                                     |
| Physical state  | : Semisolid substance (clayey)      |
| Appearance (Color)  | : Gray                              |
| Odor  | : Almost odorless                   |
| Melting point   | : Not applicable                    |
| Boiling point or initial boiling point  | : Not applicable                    |
| Flammability  | : nonflammable                      |
| Lower and upper explosion limit/flammability limit  | : No data                           |
| Flash point   | : No data                           |
| Auto-ignition temperature   | : No data                           |
| Decomposition temperature   | : No data                           |
| рН  | : Not applicable                    |
| Kinematic viscosity   | : No data                           |
|   | : Not soluble in water              |
| Solubility  | : Not applicable                    |
| Solubility<br>Partition coefficient (n-octanol/water)   |                                     |
| -   | : Not applicable                    |
| Partition coefficient (n-octanol/water)   |                                     |

FT-SDS-E183-a 1<sup>st</sup> Ed.: Oct. 3<sup>rd</sup>, 2017 2<sup>nd</sup> Ed.: Jul. 23<sup>rd</sup>, 2021

Particle characteristics

: Not applicable

#### 10. Stability and Reactivity

| : Not reactive under normal conditions |
|--|
| : Stable under normal conditions       |
| : No useful information                |
|  |

#### 11. Toxicological Information

| Acute toxicity                                     | : No useful information |
|--|-------------------------|
| Skin corrosion / Irritation                        | : No useful information |
| Serious eye damage/eye irritation                  | : No useful information |
| Respiratory sensitization / Skin sensitization     | : No useful information |
| Germ cell mutagenicity                             | : No useful information |
| Carcinogenicity                                    | : No useful information |
| Reproductive toxicity                              | : No useful information |
| Specific target organ toxicity (single exposure)   | : No useful information |
| Specific target organ toxicity (repeated exposure) | : No useful information |
| Aspiration hazard                                  | : No useful information |

#### 12. Ecological Information

| Hazard to the aquatic environmental (acute)   | : No useful information                 |
|---|---|
| Hazard to the aquatic environmental (chronic) | : No useful information                 |
| Hazard to the ozone layer                     | : No useful information                 |
| Persistence and degradability                 | : No useful information                 |
| Bioaccumulation potential                     | : No useful information                 |
| Mobility in soil                              | : Expected to have low mobility in soil |
|   |   |

## **13.** Disposal Considerations

Disposal should be in accordance with applicable regional, national and local laws and regulations. Disposal should be entrusted to authorized waste disposal companies.

#### 14. Transport Information

| •   |                  |
|---|------------------|
| UN №  | : Not Restricted |
| UN CLASS  | : Not Restricted |
| International Air Transportation (ICAO-TI/IATA-DGR) | : Not Restricted |
| International Marine Transportation (IMDG Code)     | : Not Restricted |
|   |                  |

# 15. Regulatory Information

| Chemical Substances Control Law (JAPAN)                                   | : Not Applicable |
|---|------------------|
| Law concerning Pollutant Release and Transfer Register / PRTR Law (JAPAN) | : Not Applicable |
| Industrial Safety and Health Law (JAPAN)                                  | : Not Applicable |
| Fire Service Act (JAPAN)  | : Not Applicable |

FURUKAWATECHNOL FT-SDS-E183-a 1<sup>st</sup> Ed.: Oct. 3<sup>rd</sup>, 2017 2<sup>nd</sup> Ed.: Jul. 23<sup>rd</sup>, 2021 : Not Applicable

Poisonous and Deleterious Substances Control Law (JAPAN)

#### 16. Other information

#### Warning

This Safety Data Sheet has been prepared based on the latest materials and data available and its information is not guaranteed. It may be subject to revision depending on future findings. The cautions described herein are targeted at usual treatment, and in case the users of this product implement special treatments, they are advised to take safety measures suitable for their purpose and usage.
